MR. BECKWITH. OF THE ROYAL

MSCHOOL, has kindly consented temporarily to render
his services as Teacher of Foreign Children, while an effort is
being made to procure a male teacher from abroad, competent to
take charge of Boys and Girls, and fit them for pursuing the
higher branches of learning at Punahou, and will devote two
hours of each afternoon to teaching until the close of the present
term at the Royal School, and after that he will devote all necessary time to the business until the first of August next.

Such an arrangement will afford to the children out of school
an opportunity of advancing in the more important studies, and
after the first of August it is to be hoped a permanent teacher
fitted to supply the want of the community, may be found.

The School will be opened on MONDAY, May 2, in the basement of the Fort Street Charch, and the hours of teaching for
six weeks will be from 3 o'clock to 5 o'clock, P. M., and after
that from 9 o'clock, A. M., until 1 o'clock, P. M.
